This VET Course of Study includes only units of competency from the AVI50222 Diploma of Aviation (Commercial Pilot Licence - Aeroplane). Because this is a course approved under the *Higher Education Support Act 2003 (HESA)*, eligible students' tuition fees for this qualification may be deferred under the VET Student Loans scheme.

It is a requirement that only those who meet the requirements below can access VET Student Loans loan for this course. Those requirements are that a person must:

- be eligible for VET Student Loans
- meet CASA medical requirements

Course Deposit

- A course deposit of \$1,000 is due and payable at the time of enrolment. This will be refunded once the student has passed the first census date and is still enrolled in the course.

The tuition fees outlined above do not include the following incidental fees, which also must be met by the student:

- CASA processing fees
- Medical examination fees – price will depend on CASA approved medical practitioner used
- Uniform – refer to the Uniform Price List
- Textbooks and resources – refer to the 'Required Materials' list for your course
- Remedial training – includes additional flight and theory training required to meet the standard
- Height & weight fees: In the event that a student exceeds the height and weight restrictions of an aircraft required for training, they will be charged additional fees (as per current fees and charges) to fly in an aircraft suitable for their height & weight.
